****Edge Treatment:** Bull Nose Bevel Ogee
 Demi-Bull Eased Edge

*Additional costs associated with options.

**Indicate unfinished or finished edge by "U" for unfinished and "F" for finished in the diagram.

Due to the nature of cast polymer products, we require an allowance for an 1/4" variance on the measurement of each finished piece. The only way to get the product to the exact size is to sand it down, leaving an unfinished edge.
